

## Parts List for 87,700-B Series Washdown Brakes

### Information required when ordering replacement parts:

- Give part number of parts or kits needed, brake model number, and brake serial number. The brake model and serial number may identify special brakes not covered by this parts list.
- When ordering hubs, specify shaft diameter (hub bore) and keyway.
- Consult factory if white epoxy paint finish required on housing or endplate.
- SA-839 washdown brake gasket and plug installation sheet included with each brake.

For installation and service instructions, see Sheet 8-078-927-07. Detailed service instruction sheet is included with each kit.
